

Tired of hours spent pouring over telephone records trying to determine recruiting weeks, apply NCAA legislation and exceptions, identify multiple numbers associated with a prospect and cross-reference all calls made by the sport's coaches?

# COMPLY & VERIFY

Monitor Recruiting Telephone Calls in a Matter of Minutes

**Comply & Verify is an innovative software solution designed specifically for compliance offices by individuals who have firsthand knowledge of NCAA monitoring expectations in this area.**

- ▶ Provides the ability of a full-time compliance staff member to efficiently monitor all phone calls made by athletic department staff from their office and cell phones
- ▶ Quickly uploads thousands of electronic phone records, sorts them into NCAA defined recruiting weeks, applies NCAA legislation and exceptions
- ▶ Creates easy to analyze color-coded reports
- ▶ Offers a time effective and accurate tool towards meeting institutional control with little to no coach involvement
- ▶ Reduces reliance on paper telephone logs taking stress off the coaching staff
- ▶ Offers numerous reporting and searching options for multiple ways to ingest information
- ▶ Stores and manages prospective student-athlete recruiting activities

**See first hand why Comply & Verify is the most trusted telephone monitoring system available and already assisting a number of large institutions meet NCAA expectations in this important area.**

**Call or e-mail today for a live demonstration of Comply & Verify!**
